

ARKANSAS SUPREME COURT

No. CR 07-797

JOHN RICHARD LUKACH, JR.
Appellant

v.

STATE OF ARKANSAS
Appellee

Opinion Delivered

January 31, 2008

PRO SE MOTION AND AMENDED
MOTION FOR RECONSIDERATION
OF DISMISSAL OF APPEAL [CIRCUIT
COURT OF HOT SPRING COUNTY,
CR 91-115, CR 91-126, HON. CHRIS E.
WILLIAMS, JUDGE]

MOTION AND AMENDED MOTION
FOR RECONSIDERATION DENIED.

PER CURIAM

Appellant files a motion and an amended motion for reconsideration. He continues to maintain he must file his petition for writ of habeas corpus in Hot Spring County Circuit Court where he was convicted and not in Jefferson County Circuit Court where he was incarcerated at the time of filing his petition. For the same reason we denied his petition for writ in *Lukach. State*, CR 07-797 (Ark. Nov. 1, 2007) (per curiam), we deny his petition again.

Motion and amended motion for reconsideration denied.
